

Communications Highlights

Volunteer of the Game:

Montana Campus Compact and the Governor's Office of Community Service are partnering to recognize student volunteers at five Frontier League home football games this fall. We are shifting to focus Volunteer of the Game on students and more rural communities.

Thank you to the Commissioners who have volunteered to present at the games!

Rocky Mountain College / Billings	September 27th
Montana State University Northern / Havre	October 18th
University of Montana Western / Dillon	October 18 th
Montana Tech / Butte	October 25 th
Carroll College / Helena	November 8 th

Governor and First Lady Youth Leadership Council:

The Governor's Office of Community Service is currently accepting applications for the Governor and First Lady Youth Leadership Council. Youth selected to serve on the Council will work to raise awareness of childhood hunger in their respective schools and engage peers in innovative service projects during Fight Childhood Hunger Week, a Global Youth Service Day project, April 13-19, 2015. Members of the Governor and First Lady Youth Leadership Council will attend a retreat in Helena on October 25th where they will hear about Governor and First Lady Bullock's efforts to combat childhood hunger in Montana. Additionally, members will build school-community relationships, engage other youth in service and in the community, and receive hands-on training to implement projects and events in school.
